LIBERTY CLASSICAL ACADEMY HOSTS KINDERGARTEN INFORMATION MORNING ON JANUARY 25

What Should My Child Learn in Kindergarten?

MAPLEWOOD, Minn. – January 10, 2014 – Liberty Classical Academy will host a kindergarten information session at the Lower School Campus on January 25, 2014. Open to the public, the event provides insight and information for any family with a child entering kindergarten in fall 2014, including a free sample lesson for children. The morning includes discussion of why kindergarten is a critical phase in a child’s development and what skills are vital for future learning success. The session continues with demonstrations of Liberty’s approach to lessons, learning about a typical Liberty kindergarten day, hearing why classical education methods are engaging, and time for questions.

“Kindergarten is an extremely important year in a child’s education as it sets the tone and forms the foundation of his or her future learning,” said Liberty Headmaster Rebekah Hagstrom. “We capitalize on children’s desire to learn in engaging ways and are able to accomplish exceedingly more than most can imagine with these little ones.”
