LIBERTY CLASSICAL ACADEMY HOSTS LOWER SCHOOL TOUR ON NOVEMBER 14

Maplewood, Minn. – October 30, 2013 – Liberty Classical Academy will host a *Tour of Liberty* at the Lower School Campus on November 14, 2013. The tour is open to the public and provides a first-hand experience of how Liberty is achieving outstanding academic results by using the time-tested classical method. The tour includes: observing students in the classroom; listening to a parent testimony of the Liberty experience; and a brief presentation by Liberty’s Headmaster, Rebekah Hagstrom, sharing the mission and vision of Liberty.

“Classical education is experiencing resurgence today as educators search for effective ways to teach students,” said Hagstrom. “Now in our second decade, Liberty Classical Academy offers students of all backgrounds an education based on high academic standards and integrated with Judeo-Christian values.”

Liberty has a proven track record in academic proficiency by its students. ACT reports that for the past five years, Liberty students have achieved the college readiness benchmark scores across all categories tested by ACT—English, math, reading and science—consistently outperforming their Minnesota peers. Recent ACT score results for 2013 show Liberty students continue to achieve. Of all students taking the ACT test in Minnesota, 100-percent of Liberty students had demonstrated college readiness, compared to only 39-percent of their Minnesota peers.

“Liberty Classical Academy students are high academic achievers, consistently earning test scores above the national average (top 13% of the nation with ACT standardized testing and top 17% of the nation with SAT standardized testing) said Hagstrom. “The last three graduating classes have been awarded an average per student college scholarship of \$25,000 a year.”
