Start: Thursday, December 12 8:00 am

End: Thursday, December 12 9:30 am

Liberty Classical Academy will host a "Tour of Liberty" at the Lower School Campus on December 12, 2013. The tour is open to the public and provides a first-hand experience of how Liberty is achieving outstanding academic results by using the time-tested classical method. The tour includes: observing students in the classroom; listening to a parent testimony of the Liberty experience; and a brief presentation by Liberty's Headmaster, Rebekah Hagstrom, sharing the mission and vision of Liberty. "Classical education is experiencing resurgence today as educators search for effective ways to teach students," said Hagstrom. "Now in our second decade, Liberty Classical Academy offers students of all backgrounds an education based on high academic standards and integrated with Judeo-Christian values."
