

2018 LIBERTY SCHOLARSHIP DRIVE

BUSINESS SPONSORSHIP

Liberty Classical Academy is a private, college-preparatory preK-12 school in White Bear Lake, MN. At Liberty, our program powerfully combines academic rigor, engaging classrooms, and Christian values. The result? Liberty students test in the top 13-15% of the nation in standardized tests—and that's just the average.

Our annual Scholarship Drive raises the funds necessary to make a Liberty education attainable for all families. At Liberty, approximately 35% of our families receive some form of financial assistance. Scholarships are a crucial part of our DNA. Please help support our school by providing children in your community the opportunity for an excellent education.
