About Parent Connect

Parent Connect is a committee at Liberty that exists to involve, engage, and connect all Liberty families to the school and to one another. Parent Connect meets the second Monday of every month, after morning drop-off, in the library. Any parent, grandparent, or guardian of a Liberty student may attend meetings.

Profits from this fundraiser make-up a large portion of Parent Connect's budget. Parent Connect uses its money to serve and minister to our Liberty community through connecting the school, staff, teachers, students, and families. Some examples of our efforts:

- Filters on Liberty's water fountains for cleaner, better tasting water for our kids to drink
- Funding the Liberty Library's computer catalog system, complete with user library cards.
- Organizing, soliciting donations, and funding the Teacher Appreciation Week snacks, breakfasts, and lunches.
- Organizing and funding the homecoming celebration.
- Organizing and funding the Liberty Fall Parent Social.

Please ask your family, friends, neighbors, and co-workers to support your child and our school by purchasing these delicious Butter Braid pastry delights!
